

**IACCAC 2020-2022 Strategic Plan  
(Effective Date: January 24, 2020)**

**Vision**

*IACCAC will be a universally recognized leader in the support and implementation of evidence based practices.*

**Mission**

*To promote and facilitate the professional identity, development and enhancement of community supervision using the principles of effective interventions.*

**IACCAC will orchestrate collaborative efforts among members and stakeholders that foster professional relationships and mutual trust.**

- 1.) The Membership Committee will develop a Welcome Packet for new members to include a welcome letter, a copy of the by-laws, website information, committee information, contact information, and other important IACCAC information by the Fall Conference in November 2020.
- 2.) The Public Relations Committee will enhance the IACCAC Website and social media platforms to include a training calendar, a list of current facilitators in various curriculumms who are willing to provide training to association members, a membership only page, and other information the association deems appropriate by the Fall Conference 2020.
- 3.) The Special Projects Committee will develop an IACCAC Policy and Procedures Manual by the Fall Conference in 2020.

**IACCAC will promote professional development through effective training and mentoring programs for continuous improvement.**

- 1.) The IACCAC training committee will develop a New Director Training presentation by the Fall Conference in November 2020 and provide this training twice a year thereafter.
- 2.) The IACCAC District Chairs will initiate communication with new directors and provide them with contact information of Directors in that district that are willing to help mentor the new Director by the Spring Conference in April 2020.
- 3.) The IACCAC training committee will develop an Advisory Board Training presentation by the Spring Conference in 2021. This presentation will be available on-line for Directors to provide to Advisory Boards as needed.
- 4.) IACCAC District Chairs and Conference Committees will foster standard Evidence Based Practices training regarding community supervision.

**IACCAC will provide expertise in evidence based practice through data and research to stakeholders.**

- 1.) IACCAC will collaborate with POPAI, Justice Reinvestment Advisory Council, Indiana Department of Correction other partners to define and present meaningful data points through 2022.
- 2.) IACCAC will have designated representation on the Justice Reinvestment Advisory Council, Corrections and Criminal Code Study Committee and Legislative Committees as warranted.
- 3.) IACCAC will have booths set up at various conferences with education packets to promote members and provide information about Community Corrections to those attendees.

**IACCAC Quality Assurance to assure plan compliance.**

- 1.) IACCAC will review and revise the strategic plan every two years to be approved at the annual Spring Conference.
- 2.) The IACCAC Executive Board will assign plan goal/objectives to a committee who will report progress back to the IACCAC Board of Director's quarterly.
- 3.) The IACCAC Executive Board will maintain a list of assigned committee members and monitor compliance through 2022.
