

# Regional Conversation about Child Care and Early Learning

**VIRTUAL**

**February 10**

11:00a.m.–12:30 p.m.

Eastern

**REGISTER HERE!**

Let's take a dive into child care and early learning in the region! In this presentation, you will learn about the current state of early childhood programs and how we can do better to provide high quality opportunities for our youngest citizens.

You will find out how you can make a positive impact of the future of young children and will be able to connect with your local child care coalitions

## Join us for this experience as we:

- discuss the current state of child care and early learning in the region;
- discover local initiatives that influence the future of early education and care;
- learn about the benefits of quality early childhood programs for children and the community
